

Headteacher Message

Last week, our Year 6's attended their residential and by all accounts, they had an incredible experience. A special thank you to Mr Howse and Mrs Gosling for accompanying the children—reportedly on very little sleep! Opportunities like this are so important and memorable for our children, particularly in their final weeks at primary school.

I'm sure many of you would agree that our alternative Sports Day on Friday was a huge success. While we weren't quite sure how it would unfold, it was wonderful to see all of the children fully engaged and having such a fantastic time, including many parents too running round with water guns! A huge thank you to our staff for responding so quickly to reorganise the event, as well as for their support on the day. We are also very grateful to the many parents who helped with the set-up. We have received a great deal of positive feedback and I would like to personally thank everyone who has taken the time to come in, speak to us, or send an email—it truly means a lot.

This week, the children took part in their school photographs and looked incredibly smart. We are very much looking forward to seeing the final results. Over the past couple of weeks, I have met with all teachers to discuss each child individually. It has been a real pleasure to talk through the progress the children are making and to plan next steps in preparation for the coming academic year. Teachers are also engaged in handover meetings and transition arrangements are now in place for both whole classes and individual children to ensure a smooth move forward.

We have also been busy welcoming our new Reception families through stay-and-play sessions, alongside tours for our upcoming intake. We have already received very positive feedback. Thank you to everyone who has supported these events.

It is certainly a very busy time of year and we are incredibly grateful for the way our whole school community continues to work together—whether that is putting up gazebos, supporting within school or simply sharing a kind word. Your support makes a real difference and it is very much appreciated.

Have a great weekend

Year 6 Residential

Our Year 6 children had an unforgettable few days on their residential trip to Blackland Farm. Despite the incredibly hot weather, they

embraced every challenge with enthusiasm, resilience and plenty of smiles!

Camping under the stars was a real highlight, and the children enjoyed a wide range of exciting outdoor activities, building confidence, teamwork and independence along the way. Whether they were tackling new challenges, encouraging their friends or simply enjoying time together,

they made memories that will stay with them for years to come.

We are very proud of the way they represented our school with excellent behaviour, kindness and determination throughout the trip. A huge thank you again

to Mr Howse and Mrs Gosling who gave up their time to make this wonderful experience possible. It was a fantastic adventure and a perfect way to celebrate the end of their primary school journey.

Family Fun Day Success!

A huge thank you to everyone who joined us for our Family Fun Day on Friday! Despite the soaring temperatures, it was a

truly fantastic afternoon filled with smiles, laughter and plenty of fun. We were so impressed by how well everyone adapted to the changes we

made to keep the event safe and enjoyable during the heatwave.

The children had an amazing time playing in the sunshine and keeping cool with the water games, which were definitely a highlight of the day!

A special thank you goes to all of our wonderful parents and dedicated staff who helped throughout the event and weren't afraid to get stuck in. Your enthusiasm, support and teamwork made the day

such a success, and we couldn't have done it without you. Thank you for making it such a memorable day!

A fond farewell

After an incredible journey with us, we are saying a fond farewell to Miss Cain.

Amy first joined our school as an apprentice Teaching Assistant and, through hard work, dedication and a passion for helping children learn, has worked her way up to become a qualified teacher. We are so proud of everything she has achieved during her time with us. Her new school is incredibly lucky to have such a caring, talented and committed teacher. While we will miss Amy very much, we know she will make a wonderful difference to the children and staff in her new role.

From everyone at school, we wish you every success and happiness for the future.

Good luck, Amy!

Hot Weather Reminder

With the hot weather set to continue next week, please help us keep everyone safe and comfortable by ensuring your child comes to school each day with:

- A named water bottle
- A named sun hat
- Suncream applied before school (please provide a named bottle if your child is able to reapply it independently)

We will continue to encourage regular drinks, make use of shaded areas and adapt outdoor activities where needed.
