

Environment and Wellbeing Champions

Our champions have been working hard on supporting the rest of our school community to look after the environment and each other. In the next few weeks, the champions will spend some time on the Infant playground to get to know some of the younger children too. All of the champions are now easily recognisable by the badges they wear on their uniform.

One of the special jobs that our champions have, is that they can nominate children who have shown particular care for our environment or the wellbeing of other children. This term, Violet and Olivia have been nominated for the extraordinary care that they take of our environment by picking up rubbish and reporting any minor concerns to the office staff.

News from Nature School

One of the principles of Forest School is to provide opportunities to use real tools in meaningful situations. We allow for the development of skills through free trial and the understanding of safe use. This week the children asked to use the planks again and the tools from last week. We also introduced using the bow saw.

We provide some starter ideas but the children have freedom in their skills and creative ideas development.

We understand that -
Nimble fingers lead to a nimble mind.

Safeguarding:

Next week, we will be celebrating online safety week, with children learning more about how to stay safe online. As part of this week, the children will be revising their online safety policy. Please watch out for quizzes and online safety guides that will be emailed to families throughout the week

Collective Worship:

This week we have been thinking about praising God for his creation, including humans and showing love through respect. We have been talking about the things that make us all unique, how we let our personalities shine through and learning more about the meaning of diversity and respect. We have been talking about how we can show respect to others, for example by being polite, showing good manners, paying compliments to others or just sharing a smile.

Saplings	<p>Mason - for your amazing phonics and reading! Well done.</p> <p>Flora - for your thoughtful response to making a promise in our RE lesson. You did really think hard about your answer.</p> <p>Lucas - for being a "scientist" this week and experimenting with some paper and the gusty wind outside.</p> <p>Freddie - for your fantastic attitude to your learning! You are a superstar!</p>
Elms	<p>Alice R - for making a huge effort this week to ensure that she did her absolute best in every piece of her work! Keep it up.</p> <p>Alice H - for your inventive 'rat trap' and instructions on how to build it!</p>
Beech	<p>Ella - for always trying really hard and for doing super maths this week!</p> <p>Harry - for always working hard and helping others when they need help</p>
Willows	<p>Alex - For working independently and thoroughly in science to test magnetic materials, recording his findings and drawing conclusions from his experiment</p> <p>Harry - For all the work he is doing at home in his own time to further his own learning including writing a chapter book and finding out history facts</p>
Hazel	<p>Willow - For being such a kind friend to all the children in the class and for working so hard on her writing this week.</p> <p>Elliott - For persevering with his handwriting and coming up with some brilliant ideas for his story in English.</p>
Ash	<p>Emma - For her incredible work multiplying fractions</p> <p>Elliott - For his brilliantly descriptive story plan for his myth</p>
Oaks	<p>Ella - For her continued excellent attitude to her Maths learning</p> <p>Logan - For an excellent letter home in the character of Stanley from the book 'Holes'</p>
