

Head Teachers Message

Once again this week there have many trips going ahead. The children seem to have thoroughly enjoyed them - thank you to the teachers that organised these and everyone helping.

We have also welcomed many of our new Saplings in for stay and play sessions. Thank you to our year 6's for doing wonderful tours of the school for New Sapling parents, you were fantastically polite and detailed.

We would like to continue going up to the field next week so if anyone has any spare blankets to sit on or tarpaulin for extra shade please do bring them in.

Lots more in the diary over the coming weeks so keep an eye out on the events list.

Have a good weekend and see you next week!

PTA Update

Hello from the PTA!

We are looking forward to the end of year disco this week, hope your children are too! If your child is planning to attend and you have not done so already, please provide payment and consent via the school gateway app by Monday July 1st.

If you have any small sizes of uniform that children due to start in Saplings in September might be able to make use of please could you donate them by Friday 5th July so that a uniform sale can be organised for new parents prior to the end of term. The donations bin is in the foyer behind the lost property bin.

It would be great if you could also consider donating uniform of any size that is no longer needed prior to the end of term so that this can also be offered to parents wanting to prepare for next year.

Many thanks!

Dogs

Please could we remind parents that dogs are not allowed on the playground at school drop off or pick-up. Thank you.

Clubs

A reminder that next week is the last week of clubs with the exception of Art Club, which will run until the week after due to a delayed start.

Clara B
Harrison T**

This week we received this lovely photo showing how Mrs Hillman's leaving gift has grown. What a beautiful sunflower in full bloom. We would love to see more of your sunflowers!
