Reviewed during Anti-bullying week 2025

At Ide Hill Church of England Primary School we believe that all people are made in the image of God and are unconditionally loved by God. Everyone is equal and we treat each other with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and friendly community.

At Ide Hill CE School, we nurture all children. It is our aim that every member of the school community feels valued, respected, and that each person is treated fairly so that all children can learn to live together harmoniously within the school community.

"Do everything in Love" 1 Corinthians 16:14

At Ide Hill Church of England Primary, we seek the 'abundant life' that Jesus promised (John 10:10) - pupils and staff flourish. From the tiny Saplings in Reception to the mighty Oaks of Year 6, children are nurtured through the learning and experiencing of respect, responsibility and love - and the greatest of these is love (1 Corinthians 13:13).

Rationale

This document provides a framework for the creation of Christian environment that is happy, secure and orderly so that children can learn and develop as caring and responsible people. Ide Hill is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form. This policy therefore sets out what "we" personally and as a whole school staff will do to prevent and tackle all forms of bullying.

All members of the school community should seek to understand this policy and to apply it consistently and fairly.

Definition of bullying

"Bullying is behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same unacceptable behaviours expressed online, sometimes called online or Cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Bullying can be a form of peer on peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children's emotional development.

This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" 2025 and 'Sexual violence and sexual harassment between children in schools and colleges' guidance. Staff members have also read Childnet's "Cyberbullying: Understand, Prevent and Respond: Guidance for Schools", which can be found at <https://www.childnet.com/resources/cyberbullying-guidance-for-schools>
