House Captains

Congratulations to our newly elected House Captains and Vice Captains, who recieved their badges on Friday. The children each wrote and presented their own speech to the school during School Council meetings. We like to be democratic at Ide Hill, so we then held our own House Captain elections with all children voting for one Captain and Vice Captain in each house.

In Collective Worship this week we will be thinking about

Term 1 Week 4

Welcome!

Last week, we were delighted to welcome Rev Peter Hayler to Ide Hill. The children in Saplings, Elms, Beech and Willows enjoyed a special class visit each and the children eagerly asked their own questions. In the afternoon, Peter led his first Celebration Worship with the Leading Lights. The children loved singing along to Peter's guitar (especially Happy Birthday) and they cannot wait until his next visit tomorrow.

Celebration worship is open for all parents each Tuesday at 2:30 so please do join us at St Mary's church if you can. If you would like to help us walk the children from school to church then please come to the school office at 2:20.

Last week we also welcomed Miss Taylor into year 6 and Miss Wooliscroft into year 2. Both Miss Taylor and Miss Wooliscroft will be with us for the majority of the academic year as they undertake their Post Graduate Certificate of Education training with Canterbury Christ Church University. I know that you will make them feel very welcome.

Thank you

Thank you for supporting the Key Stage 1 playground change that we implemented last week. It has made a real difference each morning to the Key Stage 2 playground and I hope that the increase in parents using this 'drop and go' facility will mean that more parking spots are opened up more quickly for those struggling to park.

Thank you also to the parents who have signed up for parking more regularly in the pub carpark each morning. We are very grateful for your support to help alleviate parking difficulties.

This Week

Open morning for prospective parents on Tuesday - please contact the school office book a space as these are strictly limited.

Please bring **Harvest Bags** to school on **Thursday** morning. The children must be able to carry them themselves. Please reinforce the bottom to the bag if necessary!

Netball Match v's Weald on **Thursday** (away match)

Our **Harvest Celebration** will take place on **Friday** at 2:15 followed by Rojo Rojo fundraising in classrooms from 3pm. Please bring as much **change** as possible.

Birthday Goodies

We would like to remind you all that children / parents are **not** permitted to hand out birthday sweets, cake etc on school property. Please understand that this is for safety reasons - we love celebrating birthdays, but unfortunately it's not that easy!

We are a "Healthy School" and in larger classes this could potentially mean that children could receive up to 30 bags of sweets across the year. Parents are not always aware of pupil allergies and this act, although well meaning, could potentially harm children who, whilst on the playground, are still in our care.
