

Headteacher Message

I wanted to begin this weeks newsletter with a huge thank you to everyone who was able to join us at the Dinner Dance. It was a fabulous evening, and it was wonderful to see so many current families, staff, governors and previous parents together. A special thank you goes to the dedicated team who organised the event and helped us raise an unbelievable and unexpected amount of money for the school. We are so grateful for your ongoing support and look forward to sharing more exciting developments with you soon. Congratulations to all our Year 6 pupils for completing their SATs! You have worked incredibly hard and shown such positivity throughout – we are very proud of you. This week, we also held a practice fire drill during lunchtime. The children responded brilliantly and followed instructions calmly and sensibly. Finally, well done to Year 5 for another fantastic class assembly. It is always a joy to hear about all the wonderful learning taking place and to share these moments with friends and family. Wishing you all a restful and enjoyable weekend.

Uniform Reminder

Please can we remind parents that children should only be wearing PE kits on PE days or PE kits in EYFS/KS1 if they have Sports Zone. KS2 have the ability to change at the Sports Zone venue. Trainers are not to be worn with normal uniform.

Dinner Dance

Thank You

A huge thank you to our wonderful PTA and Governors for their hard work organising the Fabulous Dinner & Dance Event.

This event raised over **£10,000** which is absolutely incredible!

We are so very grateful to have such a wonderful school community.

Saplings News

We have been enjoying being outside and playing with our buddies. The children had great fun with their Yr 5 buddies drawing around each other and adding clothes!

Last week Saplings were invited to the Smith's farm where we were very lucky to meet some 3 week old lambs and their mummies,

horses, collect eggs from the 3 chickens and beep the horn on the tractor (which belonged to Olivia's Dad). We all had a wonderful time there and learnt lots of new things about the animals and how to look after them. A big thank you to the Smiths, Mr Rogers and the parent helpers who helped walk us there and back!

Nurture UK Accreditation

We are thrilled to announce that we have successfully completed the Nurture UK accreditation with flying colours. This is a significant achievement, and it reflects the hard work and dedication of our entire school community.

A special thanks to Mrs. Daniels for her exceptional efforts in leading this initiative and for all the hard work that has gone into it over the past 2 years. We also want to thank all our staff members for their continued commitment to nurturing and supporting every child throughout the school.
